Special Needs, Medical Condition, Allergy Information

If your child has a medical condition, special needs, or allergies that we should be aware of, please describe below:

Photo Policy

Parents/guardians are advised that photographs and/or video of participants in various classes/events may be used in publications, websites or other materials produced from time to time by our parish and/or participating parishes. Participants would not be identified, however, without specific written consent. Parents/guardians who do not wish for photos or video to be used in these medias should notify the parish office in writing. If notified, the Pastorate of St. Francis-St. Mary & Holy Family would make every reasonable effort to comply with the wishes of the family. Please note that our pastorate has no control over the use of photographs or video taken by the media or participants of the class/event that may be covering/attending the event in which your child(ren) participate(s).

Child and Youth Protection Policy

All adults who have substantial contact with children are required to complete the Archdiocesan requirements for the protection of children and youth. This includes training, a background check and references. Details can be found on our website at: <http://hfccmd.org/child-youth-protection/child-protection-procedure>.

All parents and guardians are encouraged to complete these requirements in the event that an occasional visit to the classroom may occur or last minute volunteer opportunities arise.

Volunteer Information

Many volunteers are needed to make this a successful program. **Please circle** the appropriate position and **check the area** below if you are able to help out. Volunteers working with children must have completed the Child & Youth Protection requirements prior to volunteering as stated above. Visit our website to complete the requirements.
